Young architects and designers are invited to submit work to the thirteenth annual Young Architects Competition. Projects of all types, either theoretical or real and executed in any medium, are welcome. The jury will select work for presentation in public forums and an exhibition at the Architectural League in April and May, 1994. Winners will receive a cash prize of \$300. A poster of the winning entries will be published and distributed nationally.

The Young Architects Forum is an annual competition, series of lectures and exhibition organized by the Architectural League and its Young Architects Committee. The Forum was established to recognize specific works of high quality and to encourage the exchange of ideas among young people who might not otherwise have a forum.

THEME

This competition asks architects to present their work within a self-defined framework. This framing allows architects and designers to describe the aspirations, limitations, and production of their work. The work, whether it be built, unbuilt, just conceived or revisited, should be considered with all the attributes that contributed to its making. In this way the work can be considered as a model of architectural production, inevitably tied to a larger physical and cultural context.

ELIGIBILITY

Entrants may submit work done independently, as an employee, or as a teacher. Entrants must be ten years or less out of graduate or undergraduate school; students are not eligible for this competition. Work completed for fulfillment of course requirements at academic institutions is not eligible. Past Young Architects Forum winners are not eligible. Work undertaken as an employee must be accompanied by a letter from a principal in the firm stating that the entrant can be given primary credit for the work submitted. The competition is open to residents of the United States, Canada, and Mexico only.

SUBMISSION REQUIREMENTS

A single portfolio, which may include several projects, must be submitted in a binder no larger than 9" x 12". Models, slides, and transparencies will not be accepted. Videos must be in a 1/2" VHS format and no longer than five minutes. Entries must be received at the League office by 5 p.m. February 14, 1994, or postmarked (not metered) by this date.

ENTRY FEE

Each entrant must submit an entry fee of \$20.

ENTRY FORMS

Each submission must include an entry form. Insert form, intact, into an unsealed envelope attached to the inside back cover of the submission. To maintain anonymity, no identification of the entrant may appear on any part of the submission, except on the entry form.

PORTFOLIO RETURN

Portfolios will be returned by mail only if a self-addressed envelope with postage is also enclosed. The Architectural League assumes no liability for original drawings. The League will take every precaution to return submissions intact, but can assume no responsibility for loss or damage.

SELECTION

Winning entrants will be notified by March 4, 1994.
