

Current Work First Friday Spring 2023

Current Work lectures are co-sponsored by the Irwin S. Chanin School of Architecture of the Cooper Union.

League programs are supported, in part, by public funds from the New York City Department of Cultural Affairs in partnership with the City Council and the New York State Council on the Arts with the support of the Office of the Governor and the New York State Legislature.

For more information about these programs, as well as a complete schedule of League events, including the new program From Field to Form and the Emerging Voices lecture series, visit archleague.org/events.
